This drawing represents design intent and concept

The designer and assistant designers are responsible for visual aspects of the production only, and all specifications provided relate solely to the appearance of the lighting and not to matters of electrical and structural soundness and/or safety. The implementation of this design must comply with the most stringent applicable federal and local safety and fire codes. The designer is not qualified to determine electrical or structural appropriateness of the design and will not assume responsibility for damages resulting through improper engineering and/or implementation in the handling of the elements of the lighting design. The designer agrees to make prompt correcting alterations to any specification found to be incompatible with proper safety precautions.
